Igniting passion, for a brighter future!

Principal's Message

We are only weeks away from opening on **25th August, 2019** and we are well ahead of schedule to ensure that everything is ready for our founding students.

The reality of the dream is now very evident when families tour the school. The layout of the campus, the quality of the facilities, the furnishings and resources have impressed our visitors.

Moreover, parents have been especially complimentary about Hamilton's teaching approach, our academic staff and the excellent learning opportunities that will be available to their children.

We are truly excited about opening next month and can't wait for our students to meet our dedicated staff and experience the wonderful facilities at Hamilton.

BUILDING UPDATE:

The process of setting up classrooms is almost complete. We are also finalizing installation of our extensive IT infrastructure that includes a network-driven series of smart TVs in every classroom and throughout the school.

Our athletics track, FIFA-approved football pitch, and indoor tennis courts are complete, and the two swimming pools are ready for a 'splash' of fun.

Our news /TV studio and Green Screen room, complete with cameras and production facilities, will be set up and ready to go by the time the school opens next month.

In addition to the theater, we will also have a smaller 'Black Box' theatre that can be operated by students and teachers and used as a training space for running smaller productions and events.

EXTRA CURRICULAR ACTIVITIES:

A full ECA schedule will be sent to parents at the beginning of the academic year.

At Hamilton, the enriching experiences outside the classroom are part of the core offering for our students. Our ECA (Extra-Curricular Activities) program is designed to further enhance the quality of the education your child will experience with us.

We are very proud to announce a partnership with Premier League Football Academy. Observations from our Head of Elementary, Ian Rinaldi

After arriving in Doha from Singapore in early July, I was immediately struck by the friendliness and positive energy at Hamilton.

Having toured the campus, I couldn't help but be excited about the journey we have ahead of us. The facilities are world-class and the team we have recruited are outstanding. As I look to lead the Elementary School, I will do so with students at the heart of my decision making.

As we welcome students from around the globe, I look forward to each and every student experiencing amazing learning in all its forms. I also look forward to meeting with parents as you too join the Hamilton family.
