# ECA PROGRAMME

## Term 2

## Parent Information

Here at The Hamilton International School we pride ourselves on **high quality and enriching** experiences for all students. Our extra-curricular activity programme has been designed to enhance the quality education your child experiences. Along with our state-of-the-art facilities and expert delivery, all activities are specifically designed to develop your child's needs and prepare them for the future.

Please follow the safety procedure below to help us deliver a **safe** and **engaging** programme.

Please note that on Sundays, Wednesdays and Thursdays school staff will be involved in professional development and meetings therefore outside providers will be delivering the activities during 2-3pm. **These will require an additional cost.**

Pre KG - KG1 will have the opportunity to experience many different activities through a carousel approach. This enables the students to develop and experience many different skills, as well as future interest.

Our exciting breakfast club will run everyday at a cost of 100qr per week. This will start from 6.30am till 7.20am. Payment should be made every Sunday to the staff member in charge at the canteen.

A more detailed explanation for each activity is below.
